

MAIN BUDDHA OF DAIRAKUIN TEMPLE

YAKUSHI-BUDDHA "BHECHADJAGURU" (The Physician of Souls)

Yakushi-Buddha is called "The Physician of Souls" or "Buddha of a Great Doctor".

By believing in this Buddha, we can recover our illness, in particular eye disease.

And the Buddha may realize our wish, so he has been believed and prayed for a long time as a Buddha with the divine favor in this world.

And he will lead us to "The Land of Happiness" or "The Pure Land", when we go to the world beyond.

Save us merciful Yakushi-Buddha,

It's our prayer for recovering our illness.

So please save us for mercy's sake.
